

EES Board Candidatures - Letter of endorsement

Dear Daniele and Tom,

On behalf of the entire AIV Board, I want to thank you and the EES Board for accepting Erica Melloni's candidacy for the position of EES Board Member. Between 2017-2020, Erica served commendably as the President of our national association (AIV) of which she is still a very active member, co-leading a thematical working group on Evaluation and Public Administration and working as a member of our national journal's editorial board. I'm sure that Erica will generously offer EES all her energy and expertise and that she will further strengthen the link between AIV and EES.

Thanking Dominique for the important work she has done in EES and wishing Tom all the best for the prestigious role that is waiting for him, I warmly greet both of you with the hope of being able to meet as soon as possible.

Sincerely,

Prof. Gabriele Tomei

Presidente AIV
